INTRODUCTION

Under the title Current Awareness Service the Documentation-cum- Library Centre of the I.C.H.R is introducing a biannual indexing bulletin, containing an alphabetical list of papers on Indian History published in various journals. This compilation is specifically prepared with view to acquainting the research scholars with the latest trends in the field of research on Indian History in India and abroad. These journals (listed at the end of the volume) are received in the I.C.H.R Library. Readers can consult the journals there or obtain Xeroxed copy of the articles they are interested in against a nominal payment.

Scholars can obtain a copy of this the Library-cum-Documentation Center of the I.C.H.R
