VII. Research Projects:

(i) Survey, Collection, Documentation and Digitization of Archival Sources of North East India

- Commenced in 2012 with a view to prepare summary of the letters, files, documents available in the Assam State Archives as it is a rich repository of historical information of the Northeast States of India.
- The work was revived in December 2019 under guidance of Prof. Barnali Sarma, Deptt. of History, Gauhati University. In 2020 and 2021. The work couldn't progress desirously owing to Covid 19 Pandemic.
- The first volume is likely to be ready by January/February 2023 that may perhaps be uploaded on ICHR website initially and publish within next 3 months by filling the gaps, if any.
- A detailed report has been prepared and submitted by the Project Supervisor that is to be placed before the competent authority.

(ii) Documentation of Cultural Heritage and Setting Up of Museum Corners in Peripheral Regions/Villages of India (a joint Project of Indian Council of Historical Research and National Museum of India)

- Commenced in January 2020. The objective of the research is to survey and document the heritage and culture of the various ethnic groups and communities of India covering all aspects of tangible, archaeological, ethnographic and intangible cultural heritage.
- As per instruction, data is being collected from repositories of Assam. The Research Team is scheduled to undertake a visit for the same purpose to Arunachal Pradesh.
- A summary and a detailed report have been submitted by the Researchers that is to be placed before the competent authority.
