The Chairman ICHR could not attend it, due to his prior academic assignments. Professor Gyaneshwar Khurana, National Fellow, ICHR, New Delhi was nominated by the Chairman, ICHR to attend the seminar as his representative. Professor Khurana visited Tehran (Iran) and attended the seminar. The expenditure incurred was borne by the organizers.

In the Inaugural Session Prof. Gianeshwar Khurana mentioned that the sojourn of Humanyun in Iran holds a great importance in History; and the king’s choice of fine refuge in Iran (Persia) is meaningful. Total thirteen papers were presented in the Technical Sessions, including Prof. Gianeshwar Khurana and Prof. Abhay Kumar Singh of SVCC during the two days conference.

Prof. Gianeshwar Khurana presented a paper "Eclipse of Humayun: A Traversity of History". In his paper he commented that while Babur looked for gunner, Humayun was ever in quest of artists, whom he found in Persia. While there remained no trace of Babur’s conquest in Kabul, Humayum’s reign has left imprints in India and Iran. Professor Khurana compared Humayun with few other kings like Bindusara and Udai Singh, who were eclipsed in their dynasty, hence, “over-looked and neglected” in History. He said that Humayun’s conversations with Abdul Latif Qazvini in Iran were the basis of Sulh-i-Kul of Akbar.

In the wake of the commercial and political expansion of Europe in the eighteenth century there was a remarkable increase in the number of Europeans visiting India, not merely for trade but also to explore her rich cultural heritage. The European rediscovery of India's cultural heritage led to the emergence of Orientalist scholarship and a belief that India, and not Egypt, was the country where different arts and sciences originated.

The new interest in the East manifested itself first in France as a quest for original texts in various languages and their exact translations. Many Frenchmen who visited India in the eighteenth century also wrote on the country, their works are a valuable testimony to the European perception of India during these times. Unfortunately, most of these works have not been translated into English, and thus remained unavailable to non-french speaking scholars. The project aims to identify and translate important works from European languages into English. The Project is in its final stage of completion.

Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of Indian Council of Historical Research for the year ended 31 March 2020

We have audited the attached Balance Sheet of Indian Council of Historical Research (Council) as at 31 March 2020, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period upto 2022-23. These financial statements include the accounts of three regional centres of the Council. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the

accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (ii) The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the Format of Accounts as prescribed by the Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India subject to the observation in the Report.
- (iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Indian Council of Historical Research in so far as it appears from our examination of such books.
- (iv) We further report that:

A. Balance Sheet

A.1 Liabilities

A.1.1 Current Liabilities and Provision (Schedule 3) – Rs. 2.99 Crore

The above includes unutilized grant-in-aid of Rs. 135 lakh as against the actual unutilized grant-in-aid is Rs. 157.06 lakh. This is due to the netting of excess expenditure of Rs. 1.91 lakh under Grant for creation of Capital Assets and excess expenditure of Rs. 20.15 lakh under Grant-in-aid Salaries with the unspent balance of Rs. 157.06 lakh under Grant-in-aid General.

A.2 Assets

A.2.1 Loans Advances and Deposits (Schedule 8) – Rs. 80.85 lakh

The above does not include grant receivable of Rs. 418.04 lakh which was sanctioned on 25 March 2020 but were received in bank account on 02 April 2020. The same has been shown as receipts in the Receipts & Payments Account and included under Bank balances. This has resulted in understatement of Loans Advances & Deposits-Grant Receivable by Rs. 418.04 lakh and overstatement of Current Assets-Bank Balance by like amount.

B. significant accounting policies (Schedule 23 & 24)

As per the Significant Accounting Policy No. 4 'Liability towards gratuity/leave encashment payable on death/retirement of employees is recognised on Payment Basis'. This accounting policy is in contravention of the format of accounts prescribed by Ministry of Education and Accounting Standard 15 issued by ICAI which states that provision for retirement benefits should be made on the basis of actuarial valuation. Further the Council had made provision for retirement benefits of Rs.56 lakh which is not based on actuarial valuation. In the absence of actuarial valuation, Audit was unable to form opinion on the sufficiency of provisions. This is being pointed out since 2015-16 but remedial action has not been taken by council.

C. General

C.1

Separate accounts of NPS were not maintained by Council. This was pointed out in the previous year report but remedial action has not been taken by the Council.

C.2

As per format of accounts prescribed by the Ministry of Education, the Depreciation on Fixed Assets is to be provided on Straight Line Method and rates specified thereon. However the same has been charged on Written Down Value and the different rates thereby contravening the format of accounts prescribed by the Ministry of Education.

D. Grants-in-aid

During the year 2019-20, the Council has received grant-in-aid of Rs. 2198.93 lakh (Grant for creation of Capital Assets of Rs. 62.55 lakh, Grant-in-aid salaries of Rs. 699.35 lakh and Grant-in-aid General Rs. 1437.03 lakh) during the year. It had an opening balance of Rs. 146.17 lakh under Grant-in-aid Salaries. Thus, the Council had Rs. 2345.10 lakh (Grant for creation of Capital Assets of Rs. 62.55 lakh, Grant-in-aid salaries of Rs. 845.52 lakh and Grant-in-aid General Rs. 1437.03 lakh) at its disposal. It utilized Rs. 2210.30 lakh (Grant for creation of Capital Assets of Rs. 64.46 lakh, Grant-in-aid salaries of Rs. 865.67 lakh and Grant-in-aid General Rs. 1297.97 lakh) during the year, leaving an unspent balance of Rs. 157.06 lakh under Grant-in-aid General and excess expenditure of Rs. 1.91 lakh under Grant for creation of Capital Assets and excess expenditure of Rs. 20.15 lakh under Grant-in-aid Salaries.

As explained by the Council the excess expenditure has been met from income generated from own sources.

E. Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Member Secretary, ICHR through a management letter issued separately for remedial/corrective action.

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:
 - a. In so far as it relates to the Balance Sheet of the state of affairs of the Indian Council of Historical Research as at 31st March 2020.
 - b. In so far as it relates to the Income and Expenditure Account of the deficit for the year ended on that date.
