6. Translation of Foreign Sources on India

In the wake of the commercial and political expansion of Europe in the eighteenth century there was a remarkable increase in the number of Europeans visiting India, not merely for trade, but also to explore India's rich cultural heritage. The European rediscovery of India's cultural heritage led to the emergence of Orientalist scholarship and a belief that India, and not Egypt, was the country where different arts and sciences originated. The new interest in the East manifested itself first in France as a quest for original texts in various languages and their exact translations. Many Frenchmen who visited India in the eighteenth century also wrote on the country; their works are a valuable testimony to the European perception of India during these times. Unfortunately, most of these works have not been translated into English, and thus remained unavailable to non-french speaking scholars. The project aims to identify and translate important works from European languages into English. The Advisory Committee meeting of the project was held on 3 and 4 January, 2018 at Southern Regional Centre (SRC), Bangalore. It was decided that 50% of the remuneration to the translators should be disbursed upon completion of the first draft @Rs.600/- per 1000 words.

Three following works were chosen under the translation project.

- i. Anquetil Duperron's *Inde en Rapport avec l'Europe* (1798)

- ii. Pierre de Soerate's Voyage aux Indus Orientales et a la Chine (1782)
- iii. La Gentil's Historie Royal de Sciences (1771), (1772), (1784)

7. Modern India-Politics and Demography 1881-2011

Both society and economy were affected by the British rule in India. This project aims to prepare a comprehensive history which would take into account many dimensions of the society.

The two sub-projects entitled 'Society and Politics of Bengal: A Case study of Khulna Districts, 1857-2015' and 'Society and Politics of Punjab: A Study on Pre-Partition and Post-Partition Lahore, 1849-2015' were approved by the 144th RPC meeting held on 28th March, 2016. The aim of the project is to explore and document historical past and heritage of villages and towns in India. India had a rich cultural heritage. Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of Indian Council of Historical Research for the year ended 31 March 2019

We have audited the attached Balance Sheet of Indian Council of Historical Research (Council) as at 31 March 2019, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period upto 2018-19. These financial statements include the accounts of three regional centres of the Council. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the

accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (ii) The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format of Accounts as prescribed by the Ministry of Human Resource Development, Government of India.
- (iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Indian Council of Historical Research in so far as it appears from our examination of such books.
- (iv) We further report that:

A. Balance Sheet

A.1 Liabilities

A.1.1 Current Liabilities and Provision (Schedule 3) – Rs. 7.15 Crore

The above includes an amount of Rs. 4.13 crore under the head "Other Current Liabilities-Pension Fund" which is not in the nature of liabilities but in the nature of Earmarked Fund. The Authority for the creation of this Earmarked Fund has not been furnished to audit. Therefore it should be part of Capital Fund/Corpus Fund. This has resulted in overstatement of Current Liabilities & Provisions and understatement of Corpus/Capital Fund by Rs. 4.13 crore.

A.2 Assets

A.2.1 Loans Advances and Deposits (Schedule 8) – Rs. 65.30 lakh

The above does not include grant receivable of Rs. 2.30 crore which was sanctioned on 25 March 2019 but received in bank account on 02 April 2019. This has resulted in understatement of Loans Advances and Deposits and overstatement of Current Assets-Bank Balances by Rs. 2.30 crore.

B. significant accounting policies (Schedule 23 & 24)

As per the Significant Accounting Policy No. 4 'Liability towards gratuity/leave encashment payable on death/retirement of employees is recognised on Payment basis'.

This accounting policy is in contravention of the format of accounts prescribed by MHRD and Accounting Standard 15 issued by ICAI which states that provision for retirement benefits should be made on the basis of actuarial valuation. This was also pointed out in last year report but no remedial action taken by the Council.

C. Balance Sheet of Provident Fund Account

C.1 Assets

C.1.1 Investment- Rs. 3.89 crore

The above represent investment of GPF in Fixed Deposit Receipts whereas as per the records (FDRs certificates) investment as on 31 March 2019 is Rs. 4.04 crore. This has resulted in understatement of Investment and Interest Reserve by Rs. 15.33 lakh.

D. General

- (i) As per MHRD format the revenue expenditure depicted in Grants/Subsidies (Schedule 10) should be shown as income in the Income & Expenditure Account. However, Council's revenue expenditure depicted in Schedule 10 was Rs. 19.68 crore but the grant income accounted for in Income and expenditure Account was Rs. 16.39 crore. This was in contravention to approved format.
- (ii) Separate accounts of NPS have not been maintained by the Council which is contravention of format of accounts prescribed by MHRD.
- (iii) The sub heads in some of the schedules of accounts viz. Schedule 3, Schedule 4, Schedule 5, Schedule 7 and Schedule 8 are not as per the format prescribed by MHRD.

E. Grants-in-aid

The Council during the year 2018-19 received grant-in-aid of Rs. 18.75 crore and had an opening balance of Rs. 3.29 crore. Out of the total funds of Rs. 22.04 crore it utilized Rs. 20.57 crore leaving an unspent balance of Rs. 1.47 crore as on 31 march 2019.

F. Management letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Member Secretary, ICHR through a management letter issued separately for remedial/corrective action.

- v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.
- vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:
 - a. In so far as it relates to the Balance Sheet of the state of affairs of the Indian Council of Historical Research as at 31st March 2019.
 - b. In so far as it relates to the Income and Expenditure Account of the deficit for the year ended on that date.
